	Bigger Co-Op (they support local community projects and local produce).	Shops/Businesses
	Would love a baker's and fishmongers back in the village!	Shops/Businesses
	More additional parking for passing trade as spaces outside shops are taken up by shop holders. We try to support local trade but if we can't park we drive on.	Shops/Businesses
	Be good to have some more shops that people would use every day – especially a bakers.	Shops/Businesses
	Better mix of big shops not yet another Tesco – let's have some competition and variety.	Shops/Businesses
	If the pavements in the Felpham shopping area could be bettered, the whole environment would be uplifted. It's depressing, bordering on dangerous.	Shops/Businesses
	Felpham village centre looks very messy due to the garish shop fronts/posters etc. A uniform frontage should be encouraged to create a cleaner village feel. Also no more mini supermarkets – more individual shops with character – deli, bakers, greengrocer.	Shops/Businesses
	No more Tesco stores.	Shops/Businesses
	Close Tesco – please.	Shops/Businesses
	Would it be good to have a local produce show and have more events of this nature and work with the local, independent food shops.	Shops/Businesses
	There is not much point in asking for more shops if people are not prepared to shop in them. Not many years ago Felpham had a number of retail shops – a bakers, green grocers and why did they close – Tesco!	Shops/Businesses
