5/3/12	Where possible I would agree with cycling on the prom	Cycle issues
5/3/12	We think that dedicated cycle track along the promenade would be a sensible provision and to have it next to the wall. Concerning the narrow section to the west of the Lobsterpot, we feel that cyclists dismount for that section, staggered barriers ie across the width would cause the cyclists to dismount	Cycling issues

5/3/12	At present cyclists use prom illegally but safely We should legalise this practice	Cycling issues

5/3/12	Greensward/ Notices warning of sharp objects is a good idea. Might also alert some people to be more careful with their bottle tops etc. Refuse bins/ More visible bins would help, emptied 2-3 times per week in summer	Litter/rubbish issues

24/3/12	Yes prosecute people who don't clear dog litter- it's the minority giving the majority a bad name/ Don't frustrate the majority of responsible owners,	Dog issues
24/3/12	We do need concerted action against dogs mess/ More and more frequent emptying of all bins might help	Dog mess/bin issues
3/3/12	Dog mess is a major problem, especially along the prom area. A Dog Warden is necessary to control dogs and their owners	Dog issues/ wardens
