	Felpham parish needs full time police cover by one or more <u>local</u> policemen - PCSO or regular. Although Felpham has less crime than neighbouring places, it wouldn't take much for a few successful burglaries. Robberies. Shoplifting to tell the 'bad people' that Felpham is there for the taking.	Wellbeing
	The amount of dog mess left around by irresponsible dog owners is unacceptable	Wellbeing
	There is far too much rubbish and food waste left on King Georges playing field - the footballers and spectators appear to be responsible for a lot of it but also teenagers through the week	Wellbeing
