

## EDUCATION & TRAINING

### Comments from public at Neighbourhood Plan open events 2012

Date	Verbatim of what written	Category
	Develop Safer Routes to School for children walk and cycle as safely as is possible. Huge need to reduce the number of cars going to schools.	Schools
	I am concerned about the provision of primary places.	Schools
	Improve link between local primary and secondary schools. Links need to be more structured and collaborative.	Schools
	Need to see much more liaison/communication between schools and the community. Monthly or bi-monthly projects.	Schools
	Stop teachers inset days in term times.	Schools
	Provision of a new primary school on Site 6.	Schools
	Extend Adult Education provision.	Schools
	Support Felpham Community College to be an outstanding school.	Schools
	Parents & Grandparents want a primary school in Felpham.	Schools
	Encourage the building of a new primary school on Site 6 as soon as possible. Although the estate is only 150/770 occupied there are large numbers of children looking for schools already.	Schools
	Bishop Tufnell school should not become any larger – children do not thrive in large schools.	Schools
	Discuss Site 6 school options early.	Schools
	I hope the new development given enough money for infrastructure which includes schooling.	Schools

	Arts & craft sessions for children.	Youth/Child Facilities
	We have approximately 100-150 roller skaters at our club in the Arun Leisure Centre every week - the facility is there. We also help at a youth group but numbers are low.	Youth/Child Facilities
	Encourage more youth facilities/clubs. Encourage them to be more involved with other age groups and vice-versa - to understand the value of things.	Youth/Child Facilities
	More facilities to keep youngsters safely and everyone to enjoy like skate park, activities equipment.	Youth/Child Facilities
	Educate our decision makers to give facilities for our youth to have a meeting place, where they can chill out and chat - keep them off the streets.	Youth/Child Facilities
	Involve youth more - there's a very active scout group in the village - perhaps involve them in projects (they used to plant the daffodils the Parish Council were given each year).	Youth/Child Facilities
	Youth facilities seem to be non-existent in this area- County has cut back on funds so there's no money for facilities.	Youth/Child Facilities

	Keep a mobile library service to the village.	Library Service
	Library service I feel is very good.	Library Service
	Space is still available next to Health Centre for Library as originally intended - I can dream.	Library Service
	Library service - we are lucky to keep. Is there an opportunity to look at setting costs and joining the service to ensure this service is more cost effective and perhaps look at off setting costs?	Library Service
	Adult Education - possibly more variety of choice in Bognor/Felpham	Adult Education
	Adult education too expensive.	Adult Education
	Try and make adult education more local and accessible - location, cost, access etc	Adult Education
	Work with elderly - music, art - with youngsters - much more interaction - when a community is appreciated - communities appreciate	Work with the elderly
