

WHAT WILL FELPHAM LOOK LIKE IN 20 YEARS?

Neighbourhood Plans have been introduced by government so that all of us can have our say on the development of our local area.

The Felpham Neighbourhood Plan, being led by the Felpham Parish Council, will guide how our land is used throughout the Parish.

It will be far more than just another piece of paper.

Once completed the plan will be put to a local referendum. If it is adopted it will then be used by Arun District to help to ensure planning decisions are right for Felpham.

Right now we are looking for people to get involved in preparing the plan in each of the following focus groups:

- Seafront and Beaches
- Open Spaces, Gardens & Parks
- Roads, Travel & Infrastructure
- Economic & Commercial Vitality
- Health & Wellbeing
- Education, Training & Learning
- Planning & Development
- Heritage & Culture

If you are a local resident, part of a local group or organisation or run a local business you can help.

To get involved just register on the Parish Council website or contact the Parish office. All we need is your name, contact details and focus group interest and we'll get right back to you.

Whatever your interest be part of the plan
